

One Voice

When we gather in community
Honoring diversity
We're dancing into liberty
Remembering divinity

When we celebrate femininity
In service of humanity
We're called To raise our dignity
Growing into unity

Then we sing Sing as One voice
Let us sing Sing as One voice
When you sing Sing your OWN voice
Then we sing Sing as One voice

Bring your day,
bring your night
Bring your beauty,
bring your light
Bring your heart,
bring your soul
Bring your fire,
bring your flow
